Civil No. 2:22-cv-00004-JCM-CVF

**STIPULATION AND ORDER FOR
EXTENSION OF TIME FOR
DEFENDANT TO FILE
RESPONSIVE PLEADING
(Second Request)**

Defendant, CoreLogic Credco, LLC (“Credco”) and Plaintiff Terry McRunnel (“Plaintiff”), by and through their undersigned counsel, and pursuant LR IA 6-1, submit the following stipulation to Extend Time to File Responsive Pleading up to and including March 2, 2022. In support of the stipulation, the parties state the following:

1. On January 3, 2022, Defendant Factor Trust removed this matter to this Court. Credco joined and consented to Factor Trust’s Notice and Petition to Remove. [ECF Nos. 1-2].
2. On January 10, 2022, the Parties filed their first Stipulation and Order for Extension of Time for Defendant to File Responsive Pleading. [ECF No. 13].
3. The Court granted the Parties stipulation and set Credco’s responsive pleading deadline as February 9, 2022. [ECF No. 16].
4. Upon review of the Complaint, Credco determined that it was not the proper CoreLogic entity with respect to Plaintiff’s claims. The proper CoreLogic entity is CoreLogic

Teletrack. Credco communicated this issue to Plaintiff's counsel and the Parties have tentatively agreed to move to amend the Complaint to name CoreLogic Teletrack. The parties are currently drafting a joint motion to amend the Complaint, which would obviate Credco's need to file a responsive pleading and to participate in this action.

5. Counsel for Plaintiff has agreed to the requested extension and the requested extension will not impact any other deadlines in this case.

6. This is the second request to extend the deadline for Credco to file its responsive pleading.

7. This request for an extension of time is not intended to cause any undue delay or prejudice to any party.

8. Therefore, the parties hereby stipulate that the deadline for Credco to file its responsive pleading shall be extended through March 2, 2022.
